

It is so important to me and many other members of my community that K-LOVE continue to broadcast. K-LOVE has great music but more importantly they have people who serve the community. If you have a prayer request or just need someone to talk to, you can call and speak with someone at K-LOVE. There is no other type of broadcasting that should be given priority over K-LOVE. If K-LOVE was no longer broadcasting it would leave a lot of people (me included) without the encouragement and hope we need. There are so many types of broadcasting that do not serve the community in a positive way - please don't take away the one that does.
